

Your Name: _____

KID-IZEN SCIENCE - ETHOGRAM

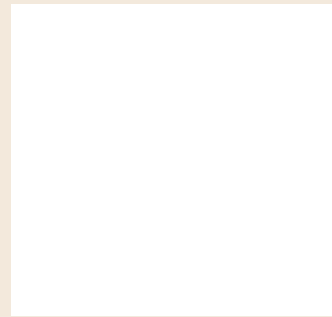

Science is for Everyone!

An **ethogram** is a chart to track what your subject does.

How to do it:

- Pick something to watch: giraffe, pet, or family member
- Record what they do at 10 observation times
- Observe: once per minute (10 min) or every 5 minutes (50 min)
- Check the box for each action

My Subject:

Date: _____

Time: _____

Weather: _____

Location: _____

(Drawing of Your Subject)

Observation Times	Resting	Eating and Drinking	Moving	Socializing	Additional Notes
